Criminal No. 1:18-cr-10106-PBS

## **JOINT INITIAL STATUS REPORT**

Pursuant to Local Rule 116.5(a), the parties hereby file the following initial status report prepared in connection with the initial status conference scheduled for August 9, 2018:

(1) Automatic Discovery/Pending Discovery Requests

The Government provided partial automatic discovery to the Defendant on or about May 25, 2018. The Government will produce the remaining automatic discovery, specifically discovery related to the search of defendant's residence, on August 9, 2018.

(2) Additional Discovery

The Government does not anticipate providing additional discovery aside from any materials covered by Local Rule 116.5(b)(2) that have not already been disclosed.

### (3) Timing of Additional Discovery Requests

The defendant's review of the automatic discovery is ongoing and requests additional time to determine if discovery requests are necessary and, if so, to make those requests.

(4) Protective Orders

It does not presently appear that any protective orders are anticipated by the parties. Should that change, the parties will address those issues promptly.

(5) Pretrial Motions

Because discovery review is ongoing, defendant cannot yet determine whether any Fed. R. Crim. P. 12(b) motions will be filed.

(6) Expert Discovery

The Government agrees to provide any expert witness disclosures 30 days prior to trial.

The Defendant agrees to provide any expert witness disclosures 14 days prior to trial.

(7) Speedy Trial Act

All of the time has been excluded between the Defendant's arraignment on April 19, 2018 through the date of the initial status conference. [Dkt's. #59, 62].

(8) Interim Status Conference

The parties request an Interim Status Conference be scheduled in approximately 30 days.

Respectfully submitted,
